Index	3
Contents	18

No. 1, January/February ..... Computer-Aided Engineering and Design
No. 2, March/April ..... Development Processes and Applications
No. 3/4, Summer ..... Intelligent Networking: Network Systems
No. 5, September/October ..... Intelligent Networking: Business Communications Systems
No. 6, November/December ..... Technology Transfer at Sandia

AT&T TECHNICAL JOURNAL (ISSN 8756-2324)
is published six times a year by AT&T. Current price of individual subscriptions:
U.S.—1 year $50; 2 years $90; 3 years $120
Foreign—1 year $64; 2 years $118; 3 years $162.

Payment for subscriptions must be made by check in U.S. funds, drawn on a U.S. bank, and made payable to the *AT&T Technical Journal*. Send subscription requests with payment to Circulation Group, Room 1B–413, AT&T Bell Laboratories, 101 J. F. Kennedy Pkwy, P.O. Box 1101, Short Hills, NJ 07078–0996.

Current or recent issues may be obtained by writing to the Circulation Group or calling 201 564–2582. You may obtain back issues from the AT&T Customer Information Center, P.O. Box 19901, Indianapolis, IN 46219, or by calling 800 432–6600. From outside the U.S., call 317 352–8557. Photocopy or microform reprints from the *Journal* are available by writing to University Microfilms International, 300 N. Zeeb Road, Ann Arbor, MI 48106, or calling 800 521–0600. From outside the U.S., call 313 761–4700.
